PROJECTS UNDERTAKEN

BrainTester Quiz App (Andriod & Firebase)

- BrainTester is a dynamic and interactive quiz application designed to test and improve users' knowledge across various topics.
- Built with a user-friendly interface and real-time feedback, it allows users to take quizzes, review answers, and track progress. The app is ideal for students, and competitive exam aspirants.

Portfolio Website (React, JavaScript, CSS, HTML) | (Feb 2024) |
•• Developed a dynamic and responsive personal portfolio website to showcase projects and skills.
• The website features a clean design with smooth transitions and easy navigation.
